	R= Thursday	4 10:40 am - 11:30 am	10 5:10 pm - 6:00 pm	
	F= Friday	5 11:45 am - 12:35 pm	11 6:15 pm - 7:05 pm	
		6 12:50 pm - 1:40 pm	E1 7:20 pm - 8:10 pm	
<u>Key Dates</u>				
August 24-28	Fall Drop/Add Period (Module 1 & Module 2 courses)	October 16	Homecoming Parade - no classes	
September 7	Labor Day - no classes	November 11	Veteran's Day (observed) - no classes	
October 12-30	Module 2 - Drop/Add Period	November 26-28	Thanksgiving - no classes	
October 19-23	Fall Break – no graduate business classes*			
	*All other UF depts. / programs will have class this week!			

PLEASE NOTE THE FOLLOWING:

- All courses are 2 credits except for GEB5212 (Professional Writing), GEB5215 (Professional Communication), and MAN5265 (Managing Groups & Teams), which are 1 credit each.
- The 2 credit courses meet for four contact hours per week over a 7-week period and approximately 6 hours of reading and work is required outside of class each week. Almost all courses have one group/team project and at least one examination. All course work and exams are contained in the module in which the course is offered.
- If the same course is listed twice (example: Open Economy Macroeconomics), you choose only one. It is the same course, but with different meeting times. You choose the time that fits best in your schedule and other course choices.
- **Introductory-level courses:** Students who have previously completed more than 2 courses in subject area are NOT eligible to register for these courses. We will need your transcripts to verify that you have not taken more than 2 courses in that subject area.
- **ISOM program (“ISM” prefix) courses** are highly specialized in Decision & Information Sciences (computer applications in business). You will need to bring your laptop/personal computer for use in class. Also, bring your undergraduate transcripts and have access to course descriptions (prior courses you have taken) so we can determine which courses you may be qualified for.
- **WANT MORE ACCOUNTING?** If you are specializing in Accounting at your home school and you desire to take more than the basic accounting courses that are listed here, you will have to meet with an accounting advisor once you are at UF. You will be required to bring your undergraduate transcripts and course descriptions so that the Accounting Department can determine which courses you may qualify to take.
- **GATORNEST** is an exciting and unique learning opportunity that will have you doing consulting work for real businesses. Each project lasts one Module and is worth 2 credits. It appears on your UF transcript just like any other course and you will receive a grade.
Students must apply for GatorNest online at: <https://secure.cba.ufl.edu/GatorNest/StudentApplication.aspx>
You will need your Gatorlink ID and password to login to complete the application. After you complete the application, you will get a confirmation email. **As long as you complete the application by the deadline (August 17th),** you can assume that you will be able to register for GatorNest. You will get an email from the GatorNest administrator with registration instructions. We recommend that you submit the application as soon as possible (make sure that you are applying for the correct term) because sections fill up quickly.
