Students who enroll at the University commit to holding themselves and their peers to the high standard of honor required by the Honor Code. Any individual who becomes aware of a violation of the Honor Code is bound by honor to take corrective action. The quality of a University of Florida education is dependent upon community acceptance and enforcement of the Honor Code.

"On my honor, I have neither given nor received unauthorized aid in doing this assignment."

An academic honesty offense is defined as the act of lying, cheating, or stealing academic information so that one gains academic advantage. As a University of Florida student, one is expected to neither commit nor assist another in committing an academic honesty violation. Additionally, it is the student’s duty to report observed academic honesty violations. Violations of the Honor Code and academic dishonesty will not be tolerated. Specifically, instructors will rigorously pursue incidents of plagiarism of any type or incidents of referring to any unauthorized material for any class requirement. Before submitting any work for this class, please read the policies about academic honesty at www.dso.ufl.edu/scr, and ask the instructors to clarify any expectations you do not understand.

Overview of Assignments

**Introductory Slide:**
This assignment will allow your instructor, peer leader, and fellow classmates to learn a little bit about who you are. You will create one slide in PowerPoint with photos, words, and anything else that describes who you are. These slides will be shared with the class.

**StrengthsQuest:** (Bring report to class)
StrengthsQuest gives students the opportunity to develop strengths by building on their greatest talents – the way in which they most naturally think, feel, and behave as unique individuals. You will have the opportunity to take this assessment and be able to integrate the results into your academic plans.

**Resume:**
A great resume is not only essential to a successful internship/job search, but also key to obtaining various involvement and leadership opportunities within the college and UF. Create a current resume (one page) using Ch. 8 in our text and the resources available on the Career Resource Center’s website (http://www.crc.ufl.edu/students/studentResumesCoverLetters.html)

Please find additional out-of-class activities and assignments on the next page

Out Of Class Attendance & Assignments

To supplement class discussion and engage you in opportunities at UF, attendance and participation will be required for some out-of-class activities. Excused absences for these activities will follow the same guidelines as missing a class.

Heavener Career Week
Career exploration is a vital part of your college experience. You will attend at least two workshops or company info sessions of your choosing. You must swipe in at the front door to the event and the specific sessions you attend.

Service Learning Project
We will be doing a community service project as a class on Saturday, TBD. You will submit a 2 page, double-spaced paper reflecting on this experience.

Case Competition
Our class’s winning case competition team members must present at the semi-finals competition on Monday, October 10th from 5pm-9pm.

Meet One-on-One with Instructor
At some point during class, you will sign up for a 30-minute one-on-one meeting with Sandy. You will have a chance to get personal advice from the Internship Coordinator in the business school; so come ready with a pencil and any questions you might have about classes or your major. In order to earn points for this meeting you must bring your Four-Year Academic & Professional Plan.

Human Library
This assignment will introduce you to people who have had unique life experiences. It aims to promote dialogue, reduce prejudice, and encourage understanding. Faculty, staff, and community members who have experienced intolerance, oppression or hardship will serve as human books, sharing their stories of resilience with you in a small group setting.

Scheduling conflict?
If you have a scheduling conflict, you must submit this in writing with documentation by the second class meeting. You will need to select an alternative service project which must be approved by your instructor, and then submit a 3 page, double-spaced reflection paper.
