**Assistant Development Manager, Stiles Development Company**  
**Ft. Lauderdale, Florida**

Bryson joined the Stiles Development team as an Assistant Development Manager in May of 2006 shortly after graduating from the University of Florida's Master of Science in Real Estate (MSRE) program. During his time at Stiles, Bryson has worked on multi-family, office, and mixed-use deals primarily in south Florida. Currently he is working on one of two Stile's luxury home developments.

Bryson was introduced to real estate development during his time at the University of Florida, when he was selected to sit on the City of Gainesville's Development Review Board by Mayor Hanrahan. It was during his time here that he determined real estate development provided an opportunity unlike any other and decided to attend the MSRE program at UF.

Before earning his master's degree, Bryson graduated with Finance and Classical History degrees from the University of Florida. During his undergraduate time he was heavily involved in student government and several student organizations before serving as the UF Student Senate President in 2003-2004 and inducted into the UF Hall of Fame in 2005.

Currently Bryson is an active member of ULI, UF-FARE, and Sigma Phi Epsilon. He serves as the South Florida Region Captain for UF-FARE and sits on the National Member Development Committee for Sigma Phi Epsilon.
