Steve Stolberg, Chief Executive Officer and Founder, Trialgraphix

Steve Stolberg is the CEO and founder of Trialgraphix, a litigation support provider specializing in a broad range of consulting services and technologies designed for use throughout the litigation cycle (discovery through trial). In addition, he has served as CFO of T-Square, a Bricks-and-mortar repro graphics firm with 3 locations catering to architects and engineers, and Central Lithographers, a 20+-year-old printing company. Steve received his Bachelor of Science in Accounting from the University of Florida and is a licensed CPA.
