Scott Weiss, Co-Founder and Vice President, General Manager, IronPort Systems

Scott Weiss is an innovator in the email industry. As one of the early team members at Hotmail he was responsible for all partnership and business development efforts. After Hotmail was acquired by Microsoft, Weiss joined idealab! to pursue start-up opportunities. At idealab!, he partnered with IronPort co-founder Scott Banister, and developed the concept that became IronPort. Weiss holds an M.B.A. from Harvard Business School and a B.A. from the University of Florida, both with Honors.
