

Take International-Related Electives from Other UF Departments

The following is a brief selection of international studies courses offered at the University of Florida. Students are encouraged to explore the undergraduate catalog (<http://www.registrar.ufl.edu/catalog/programs/courses/>) to find other international-related, free elective courses that will add breadth to their degree program. BABA: International Studies majors should review their course requirements and consult with an academic advisor to determine whether the courses below will apply toward their degree.
