FORT LAUDERDALE

Test Site: UF IFAS Research & Education Center; 3205 College Avenue in Fort Lauderdale; Testing will take place in the Hurricane House, located at the end of the main road west of the FLREC main office. When you first pull into the center, there is a parking lot on the left, the main building on the right. In front of the main building is a directional sign for the "Hurricane House", which is straight down the road. The hurricane house is just before you get to the end of the road on the right hand side and there is a sign out front that reads "Wind Mitigation House", in front of the sign is a sidewalk that leads up to the house. It is also the first building along that road that looks like a house, not a professional building. **ACG2021 final exam is at a different time. See below.**
