

Bachelor of Arts in Business Administration **Area of Specialization: *Animal Sciences (AS)***

Description

The Animal Sciences area of specialization is designed to give students a starting point to understanding the fields in Animal Sciences. Potential careers include livestock production, livestock processing and utilization, allied service industries. With additional science and math courses, this also can assist in preparation for veterinary medicine. For career information view: <http://www.crc.ufl.edu/> and <http://www.warrington.ufl.edu/sb/mywcba/enhance/careerdev.asp>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

Four 3000-4000 level [ANS](#) courses excluding ANS 4905.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Animal Sciences is available through the Department of Animal Sciences in the College of Agricultural & Life Sciences. For registration, scheduling, and area-specific questions, please contact:
