

## **Bachelor of Arts in Business Administration** **Area of Specialization: *Food Science and Human Nutrition (FSN)***

### ***Description***

The Food Science and Human Nutrition Department in the College of Agricultural and Life Sciences offers this area of specialization to students seeking employment in food corporations. It provides a basic foundation in food science and nutrition without requiring an extensive science background, and will benefit students interested in food-related careers in market research, production management, and purchasing and sales. For career information view: <http://www.crc.ufl.edu/> and <http://www.warrington.ufl.edu/sb/mywcba/enhance/careerdev.asp>.

### ***Requirements***

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

<a href="#">DIE 4125</a>	Food Systems Management (offered in fall only, need permission from instructor)
<a href="#">FOS 3042</a>	Introductory Food Science
<a href="#">FOS 4722C</a>	Quality Control in Food Systems (offered in Fall semesters)
<a href="#">FOS 4731</a>	Government Regulations and Food (2 credits)
<a href="#">HUN 3403</a>	Nutrition through the Life Cycle (2 credits)

### ***Contact Information***

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Food Science and Human Nutrition is available through the department in the College of Agricultural & Life Sciences. For registration, scheduling, and area-specific questions, please contact:
