

Bachelor of Arts in Business Administration

Area of Specialization: *Landscape and Nursery Horticulture (LNH)*

Description

The landscape and nursery horticulture area of specialization helps students who seek employment opportunities associated with the rapidly growing green industry. It also allows students to focus on a specialization area or to sample courses from other areas of environmental horticulture. For career information view: <http://www.crc.ufl.edu/> and <http://www.warrington.ufl.edu/sb/mywcba/enhance/careerdev.asp>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

EVR 3323	Introduction to Ecosystem Restoration
ORH 3513C	Environmental Plant Identification
ORH 3253C	Introductory Nursery Management
ORH 3773C	Public Gardens
ORH 4236C	Landscape and Turfgrass Management
ORH 4804	Annual and Perennial Gardening
ORH 4804L	Annual and Perennial Gardening Lab (1 credit) must be taken with ORH 4804
PLS 3223	Plant Propagation
PLS 3223L	Plant Propagation Lab (1 credit) must be taken with PLS3221
PLS 4242C	Micropropagation of Horticultural Crops

Any 3000-4000 level [ORH](#) course excluding ORH 4905.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Landscape and Nursery Horticulture is available through the Environmental Horticulture department in the College of Agricultural & Life Sciences. For registration, scheduling, and area-specific questions, please contact:
