

Bachelor of Arts in Business Administration **Area of Specialization: *Management and Sales in Agribusiness (MSA)***

Description

The Department of Food and Resource Economics (FRE) in the College of Agricultural and Life Sciences offers this area of specialization to students interested management, marketing and sales with a focus in food manufacture and distribution. Students explore topics in technical sales, labor management, and methods to improve organizational teamwork, productivity, performance and enterprise success. Courses for the minor emphasize oral presentations, written assignments and group projects. Career opportunities are available in food manufacturing industries, sales, labor management, federal and state agencies. For career information view: <http://www.crc.ufl.edu/> and <http://www.warrington.ufl.edu/sb/mywcba/enhance/careerdev.asp>.
