

Bachelor of Arts in Business Administration **Area of Specialization: *Statistics (STA)***

Description

The Statistics area of specialization designed for students who like using mathematical skills to solve practical problems. Courses cover general tools applicable in a wide variety of settings and the mathematical foundations of statistics. For career information view: <http://www.crc.ufl.edu/> and <http://www.warrington.ufl.edu/sb/mywcba/enhance/careerdev.asp>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

Any 3000 or 4000-level [STA](#) courses, excluding 4905 courses.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Statistics is available through department in the College of Liberal Arts and Sciences. For registration, scheduling, and area-specific questions, please contact:

Ronald Randles
