

Bachelor of Arts in Business Administration **Area of Specialization: *Urban and Regional Planning (URP)***

Description

The Urban and Regional Planning Department through the College of Design Construction and Planning provides students with an introduction to the challenging and vital aspects of creating, improving and sustaining communities and regions. Courses focus on the challenging and vital aspects of creating, improving and sustaining communities and regions. Topics also include Society's demands on the natural environment continue to increase as communities grow to meet population demands. Never before has the need to shape visions and guide community outcomes been greater. This area of specialization will not certify a student as a planner, but it will aid in careers such as real estate investment, development in real estate or introduce students to the graduate programs of Urban Planning. For career information view: <http://www.crc.ufl.edu/> and <http://www.warrington.ufl.edu/sb/mywcba/enhance/careerdev.asp>
