

Warrington College of Business Administration
School of Business

Catherine Coe

Welcome to the Warrington College of Business Administration at the University of Florida! I am excited to share with you the many opportunities that await you in the School of Business. As an academic advisor and career coach, I look forward to working with you and helping you on your journey.

I was born and raised a Gator so it is no surprise that I've made Gainesville my home. I am originally from Tampa, Florida but spent many summers in Gainesville at Grandma's house. I changed my major at least three times as an undergraduate before finding my way to the School of Business. As a student I was involved with the Honors Program, Peer Mentoring, Intramurals, and Project Mascot which connects college students with elementary students in disadvantaged schools. I was privileged to have the opportunity to mentor peers and to serve as a role model for aspiring young students. I personally know the rigors of balancing work and school because I worked at least part time at Gainesville Health and Fitness Center while being committed to finishing my undergraduate degree in 4 years. During the summer before my senior year I took advantage of the opportunity to Study Abroad in Brussels, Belgium, and explore Europe, which only fed my love of exploration.

At this junction in my educational journey I have earned a B.S.B.A. in Economics, a M.A. in Economics, and a M.Ed. in Student Personnel all from the University of Florida. My passion for education is grounded in research, understanding, a desire to do things better, and reaching out to those most in need. As a graduate assistant I taught GEB3213, worked as an advisor in the College of Liberal Arts and Sciences, and worked with the AIM and FOS programs.

As your academic advisor and career coach I look forward to working with you to develop a plan for success and make the most of the resources available to you. I encourage you to be disciplined with your studies and take the time to explore the hundreds of opportunities here at the University of Florida.

You can reach me via email at catherine.coe@cba.ufl.edu or by appointment, 352-273-0165. My office is located in Stuzin 267 and I look forward to seeing you there.
