

Warrington College of Business Administration
School of Business

Lindsey Dedow

Welcome to the University of Florida and the Warrington College of Business Administration! During your time at UF, you will be on a journey to gain the knowledge and skills necessary for success in your career and the other areas of your life. As your academic advisor, I look forward to meeting you and assisting you on this journey.

I graduated from UCF with a Bachelor of Arts degree in Psychology, and found that my experiences with the Campus Activities Board and being an Academic Peer Advisor really helped me connect with my peers and faculty at a large school, and were instrumental in my academic success. I then moved to Denver to pursue my Doctor of Psychology (Psy.D.) degree from the University of Denver, focusing on therapy with adolescents and their families. After graduating in 1998, I moved back to Florida and completed a two-year post-doctoral residency at the Counseling Center at New College of Florida. While I enjoyed working with the students in therapy, I found that I was energized by my work with the Resident Advisors and planning educational and wellness programming in the Residence Life department, and so I worked for three more years at New College as the Coordinator of Residence Life.

I joined the staff in the WCBA School of Business in Summer 2006, after working for 3 years at Central Florida Community College as the Coordinator of the Student Life Office. I am excited to have the opportunity to work at the University of Florida and assist students in making important decisions and achieving their career and life goals. As a result of my experiences working with students at both large and small, public and private, two and four year institutions, I am convinced that the key to student success is a balanced approach to academic and social activities that includes learning both in and outside of the classroom. I encourage you to take advantage of the many wonderful opportunities that UF has to offer.

You can set up a time to meet with me in person by calling 273-0165, or you can reach me by email at lindsey.dedow@cba.ufl.edu or during my weekly walk-in advising shifts in 267 Stuzin Hall.
