

Brandi Tennant

Hello present and future Gators!

I am the Admissions Coordinator for the Heavener School of Business and am also an academic advisor and career coach for the UF Online Business Program, serving students whose last names begin with T-Z.

Growing up in Southern California with a dad from Florida, I was raised to love the Gators. My dream was always to be a part of the Gator Nation. I started out at Santa Fe College and transferred to UF where I earned my bachelor's degree in Political Science with a minor in Russian. Currently, I am working on obtaining a master's degree in Public Policy with a focus on Education Policy. During my time here at UF, I have also worked with the Office of Admissions as a counselor and recruiter, where I helped transfer and freshman students through the application process. It was there that I found my passion for advising students and advocating on their behalf.

In my current role, I get the opportunity to aid students during admission and then walk with them all of the way through to graduation. I am here to answer any questions you have related to our degree programs, admission requirements or the transfer application process. I look forward to working with you all and learning your story. Please feel free to email me at brandi.tennant@warrington.ufl.edu or call me at (352) 273-0747 with your questions or to schedule an appointment (either phone or in person).
