Chelsey Heady

Major: Accounting
Year: Senior
Hometown: Louisville, KY
Research Project: The social implications of an adolescent’s upbringing affecting them through maturity

How I Became Interested In This Topic:
I’m interested in researching how people are so different from their peers, and is it their social upbringing cause of these differences.

Faculty Mentor: Kate Fletcher
Dream Job: Become a partner with a Big Four Company
Student Organizations I’m Actively Involved In:
Florida Business Leadership Society

Proudest Accomplishment:
Getting accepted into the University of Florida

Highlight of UF Career:
Everything about UF has been amazing!
Favorite Hangout: The beach
