Majors at UF

The following list of majors is designed around interest areas and career options rather than academic colleges. This list includes areas of interest, possible majors in that area that are available at UF, and the college that offers each of the majors. The list includes majors, but it does not include all the specializations (tracks) within each major.

AC = Fisher School of Accounting
AG = College of Agricultural and Life Sciences
AR = College of Design, Construction and Planning
BA = Warrington College of Business Administration
BC = M.E. Rinker Sr. School of Building Construction
ED = College of Education
EG = Herbert Wertheim College of Engineering
FA = College of Fine Arts
FY = School of Forest Resources and Conservation
HH = College of Health and Human Performance
JM = College of Journalism and Communications
LS = College of Liberal Arts and Sciences
NE = School of Natural Resources and Environment
NR = College of Nursing
PH = College of Pharmacy
HP = College of Public Health and Health Professions

Careers that emphasize ARTISTIC EXPRESSION or PERFORMANCE
Advertising (JM)
Architecture (AR)
Art (FA)
Art Education – (FA)
Art History – (FA)
Creative Photography (FA)
Dance (FA)
Digital Arts and Sciences (EG)
English (LS)
Graphic Design (FA)
Interdisciplinary Studies – Film and Media Studies (LS)
Interior Design (AR)
Journalism (JM)
Landscape Architecture (AR)
Music (FA)
Music Education (FA)
Public Relations (JM)
Telecommunication (JM)
Theatre Performance (FA)
Theatre Production (FA)

Careers in BIOLOGICAL SCIENCES
Agricultural and Biological Engineering (EG)
Animal Sciences (AG)
Anthropology (LS)
Biology (AG, LS)
Botany (AG, LS)
Chemical Engineering (EG)
Entomology and Nematology (AG)
Environmental Engineering (EG)
Food Science and Human Nutrition (AG)
Forest Resources and Conservation (FY)
Horticultural Science (AG)
Interdisciplinary Studies – Biochemistry and Molecular Biology (LS)
Landscape and Nursery Horticulture (AG)
Environmental Management in Agriculture (AG)
Interdisciplinary Studies – Neurobiological Sciences (LS)
Microbiology and Cell Science (AG, LS)
Natural Resource Conservation (FY)
Nursing (NR)
Plant Science (AG)
Wildlife Ecology and Conservation (AG)
Zoology (LS)

Careers in BUSINESS
Accounting (AC)
Advertising (JM)
Agricultural Operations Management (AG)
Applied Physiology and Kinesiology (HH)
Building Construction (BC)
Business Administration (BA)
Computer Science (EG, LS)
Computer Engineering (EG)
Economics (BA, LS)
Family, Youth and Community Sciences (AG)
Finance (BA)
Fire and Emergency Services (BC)
Food and Resource Economics (AG)
General Business (BA)
Industrial and Systems Engineering (EG)
Information Systems (BA)
Interdisciplinary Studies – Environmental Management in Agriculture (AG)
Journalism (JM)
Management (BA)
Marketing (BA)
Psychology (LS)
Public Relations (JM)
Recreation, Parks and Tourism (HH)
Sport Management (HH)
Telecommunication (JM)

Careers in COMMUNICATION and MEDIA
Advertising (JM)
Agricultural Education and Communication (AG)
Art (FA)
Communication Sciences and Disorders (LS)
Computer Science (LS)
Computer Engineering (EG)
Creative Photography (FA)
Information Systems (BA)
Digital Arts and Sciences (EG)
East Asian Languages and Literatures (LS)
English (LS)

**Careers in COMMUNICATION and MEDIA, con’t.**
French (LS)
German (LS)
Graphic Design (FA)
Interdisciplinary Studies – Film and Media Studies (LS)
Journalism (JM)
Linguistics (LS)
Management (BA)
Marketing (BA)
Portuguese (LS)
Psychology (LS)
Public Relations (JM)
Russian (LS)
Spanish (LS)
Telecommunication (JM)

**Careers in COMPUTERS, TECHNOLOGY and INFORMATION SYSTEMS**
Architecture (AR)
Art (FA)
Computer Engineering (EG)
Computer Science (LS)
Digital Arts and Sciences (EG, FA)
Electrical Engineering (EG)
Geomatics (FY)
Graphic Design (FA)
Industrial and Systems Engineering (EG)
Information Systems (BA)
Interior Design (AR)
Landscape Architecture (AR)
Natural Resource Conservation (FY)

**Careers in DESIGN**
Architecture (AR)
Building Construction (BC)
Digital Arts and Sciences (EG)
Engineering (EG)
Fire and Emergency Services (BC)
Geomatics (FY)
Graphic Design (FA)
Horticultural Science (AG)
Interdisciplinary Studies – Environmental Management in Agriculture (AG)
Golf and Sports Turf Management (AG)
Interior Design (AR)
Landscape Architecture (AR)
Theatre Production (FA)
Visual Art Studies (FA)

**Careers in EDUCATION and TEACHING**
Early Childhood Education (ED)
Elementary Education (ED)
High School English Education (ED, LS)
High School Science Education (AG, ED, LS)
High School Social Science Education (ED, LS)
Middle School Education (ED)
Special Education (ED)
Agricultural Education and Communication (AG)
Anthropology (LS)
Art Education (FA)
Botany (AG, LS)
Chemistry (LS)
Economics (LS)
English (LS)
Entomology (AG)

**Careers in EDUCATION and TEACHING, cont.**
Exercise and Sport Sciences (HH)
Geography (LS)
Geology (LS)
Health Science Education (HH)
History (LS)
Microbiology (AG, LS)
Music Education (FA)
Physics (LS)
Political Science (LS)
Sociology (LS)
Unified Elementary Education (ED)
Unified Middle School Education (ED)
Wildlife Ecology (AG)
Zoology (LS)

**Careers involving ENVIRONMENTAL ISSUES and PHYSICAL SCIENCES**
Agricultural and Biological Engineering (EG)
Agricultural Operations Management (AG)
Botany (AG, LS)
Building Construction (BC)
Chemical Engineering (EG)
Chemistry (LS)
Entomology and Nematology (AG)
Environmental Engineering (EG)
Environmental Science (NE)
Fire and Emergency Services (BC)
Food and Resource Economics (AG)
Forest Resources and Conservation (FY)
Geography (LS)
Geology (LS)
Geomatics (FY)
Horticultural Science (AG)
Interdisciplinary Studies – Environmental Management in Agriculture and Natural Resources (AG)
Golf and Sports Turf Management (AG)
Land and Water Management (AG)
Landscape Architecture (AR)
Landscape and Nursery Horticulture (AG)
Mechanical Engineering (EG)
Natural Resource Conservation (FY)
Nuclear Engineering (EG)
Philosophy (LS)
Physics (LS)
Plant Science (AG)
Political Science (LS)
Soil and Water Science (AG)
Sport Management (HH)
Wildlife Ecology and Conservation (AG)
Zoology (LS)
Majors at UF

Careers in HEALTH CARE
Applied Physiology and Kinesiology (HH)
Communication Sciences and Disorders (LS)
Fire and Emergency Services (BC)
Food Science and Human Nutrition (AG)
Health Education and Behavior (HH)
Health Science Pre-Occupational Therapy (PHHP)
Health Science General, Pre-Physical Therapy (PHHP)
Health Science General, Pre-Professional (PHHP)
Health Science Rehabilitative Services (PHHP)
Microbiology and Cell Science (AG, LS)

Careers in HEALTH CARE, cont.
Nursing (NR)
Pharmacy (PH)

Careers in LANGUAGES and CULTURE
Anthropology (LS)
Art History (FA)
Asian Studies (LS)
Classical Studies (LS)
Criminology (LS)
East Asian Languages and Literatures (LS)
English (LS)
Family, Youth and Community Sciences (AG)
French (LS)
General Business (BA)
German (LS)
History (LS)
Interdisciplinary Studies –
International Studies (LS)
Medieval and Early Modern Studies (LS)
Near Eastern Languages and Cultures (LS)
Jewish Studies (LS)
Linguistics (LS)
Music (FA)
Philosophy (LS)
Political Science (LS)
Portuguese (LS)
Psychology (LS)
Religion (LS)
Russian (LS)
Sociology (LS)
Spanish (LS)
Women’s Studies (LS)

Careers in LAW, CRIMINAL JUSTICE and LEGAL ISSUES
Anthropology (LS)
Criminology (LS)
Fire and Emergency Services (BC)
Political Science (LS)
Psychology (LS)
Sociology (LS)
Sport Management (HH)

Careers utilizing MATHEMATICS and SCIENCES
Accounting (AC)
Aerospace Engineering (EG)
Agricultural and Biological Engineering (EG)
Astronomy (LS)
Building Construction (BC)
Chemical Engineering (EG)
Chemistry (LS)
Civil Engineering (EG)
Computer Engineering (EG)
Economics (BA)
Electrical Engineering (EG)
Engineering Science (EG)
Environmental Engineering (EG)
Finance (BA)
Food and Resource Economics (AG)
Forest Resources and Conservation (FY)
Geography (LS)
Geology (LS)
Geomatics (FY)
Industrial and Systems Engineering (EG)

Careers utilizing MATH & SCIENCES, cont.
Materials Science and Engineering (EG)
Mathematics (LS)
Mechanical Engineering (EG)
Natural Resource Conservation (FY)
Nuclear Engineering (EG)
Nuclear Engineering Sciences (EG)
Packaging Science (AG)
Physics (LS)
Statistics (AG, LS)

Careers in SOCIAL POLICY and SOCIAL ISSUES
Criminology (LS)
Economics (BA, LS)
English (LS)
Family, Youth and Community Sciences (AG)
Food and Resource Economics (AG)
Geography (LS)
General Business (BA)
Health Science (PHHP)
History (LS)
Natural Resource Conservation (FY)
Nursing (NR)
Political Science (LS)
Psychology (LS)
Rehabilitative Services (PHHP)
Sociology (LS)

Careers in WILDLIFE and ANIMAL BEHAVIOR
Animal Sciences (AG)
Entomology and Nematology (AG)
Psychology (LS)
Wildlife Ecology and Conservation (AG)
Zoology (LS)
