Bachelor of Arts in Business Administration

Area of Specialization: Finance, Marketing, and Economics in Agribusiness (FRE)

Description
The Department of Food and Resource Economics (FRE) in the College of Agricultural and Life Sciences provides students with an excellent selection of courses in social sciences, management, economics, marketing and finance. Topics in strategic selling techniques, international trade policy, human resource policy, risk management, and legal issues focus in agribusiness, food manufacturing and marketing, and agricultural finance, yet provide students with skills applicable to any business environment. Career opportunities are available in food manufacturing industries, sales, appraisal firms, federal and state agencies, commercial banks and financial investment companies. For career information view: http://www.crc.ufl.edu/
