Bachelor of Arts in Business Administration

Area of Specialization: Landscape and Nursery Horticulture (LNH)

Description
The Landscape and Nursery Horticulture area of specialization helps students who seek employment opportunities associated with the rapidly growing green industry. It also allows students to focus on a specialization area or to sample courses from other areas of environmental horticulture. For career information view: http://www.crc.ufl.edu/

Requirements
Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

- EVR 3323 Introduction to Ecosystem Restoration
- ORH 3513C Environmental Plant Identification
- ORH 3253C Introductory Nursery Management
- ORH 3773C Public Gardens
- ORH 4236C Ornamental Landscape Management
- ORH 4804 Annual and Perennial Gardening
- ORH 4804L Annual and Perennial Gardening Lab (1 credit) Must be taken with ORH 4804
- PLS 3223 Plant Propagation
- PLS 3223L Plant Propagation Lab (1 credit) Must be taken with PLS3221
- PLS 4242C Micropropagation of Horticultural Crops

Any 3000-4000 level ORH course excluding ORH 4905, ORH 4911 or ORH 4915

Contact Information
You are always welcome to meet with an advisor in the School of Business, however, advising specifically related to Landscape and Nursery Horticulture is available through the Environmental Horticulture department in the College of Agricultural & Life Sciences. For registration, scheduling, and area-specific questions, please contact:
