Bachelor of Arts in Business Administration  
Area of Specialization: Mechanical Engineering (ME)

Description
The Department of Mechanical and Aerospace Engineering in the Herbert Wertheim College of Engineering offers this area of specialization. Mechanical engineering is concerned with motion and the processes whereby other energy forms are converted into motion. For career information view: [http://www.crc.ufl.edu](http://www.crc.ufl.edu)

Requirements
Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

Any 3000 or 4000-level EML or EGM courses, excluding 4905 courses.

Contact Information
You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related Mechanical Engineering is available through the department in the Herbert Wertheim College of Engineering. For registration, scheduling, and area-specific questions, please contact:

Dr. Bruce Carroll
