Gainesville, FL (July 15, 2016) – James Moore, Certified Public Accountants and Consultants (James Moore) is pleased to announce that Kathleen Juezan, Jane Lastinger, Samantha Lussier and Brendan McKitrick, University of Florida Alumni, have been promoted.

Juezan has been promoted to Associate Accountant in our Gainesville office. She will assist with business advisory services and perform a variety of review and audit responsibilities including planning, fieldwork, data extraction testing, and preparation of final audit reports. Juezan has been with the firm since August 2014. She received a Master of Accounting and a Bachelor of Science in Accounting from the University of Florida.

Lastinger, a certified public accountant, has been promoted to Manager. Lastinger will manage and monitor auditing and accounting projects and client engagements. She will be responsible for all phases of each assignment to include: planning meetings, fieldwork supervision, testing, risk assessment evaluation, and engagement approach development. She joined the firm in August 2013. She received her Master of Accounting and her Bachelor of Science in Accounting from the University of Florida.

Lussier, a certified public accountant, has been promoted to Senior Accountant. She will prepare personal, corporate, and partnership tax returns. Lussier will also be responsible for directing and reviewing the tax work of Associate Accountants and Staff Accountants and will participate in various phases of compilation and review engagements, including budgeting and planning. Lussier joined the firm in August 2014. She received a Master of Accounting and a Bachelor of Science in Accounting from the University of Florida.

McKitrick, a certified public accountant and CISA in our Gainesville office, has been promoted to Manager. McKitrick will manage and monitor auditing and accounting projects and client engagements. He will be responsible for all phases of each assignment including planning meetings, fieldwork supervision, testing, risk assessment evaluation, and engagement approach development. McKitrick is a member of the firm's Higher Education team and focuses on engagements with university-related clients. As a Certified Information Systems Auditor, he also provides IT assessments, risk assessments, IT

general controls, application controls, data extraction and related IT consulting services. McKitrick has been with the firm since 2013. He received his Master of Science in Information Systems and his Bachelor of Science in Accounting from the University of Florida.
