What a privilege it is to celebrate our new class of Warrington graduates. I want to congratulate you on this achievement on behalf of the Warrington College of Business and our administration, faculty and staff.

Earning a degree from Warrington isn’t about a piece of paper. You were part of a rigorous developmental experience at one of the top public business schools in the world and a top-10 public university. We cannot wait to see what you will do in the future.

Please remember to stay connected to Warrington and UF as active alumni, and always remember the responsibility you carry as a Business Gator. Your continued success leaves footprints of The Gator Nation wherever you go in the future.

Go, Business Gators!

SABY MITRA
Dean,
Warrington College of Business
University of Florida

Alma Mater .......................................................... Alanna Parfait
Student, UF College of the Arts
Prominently placed as the entrance to the University of Florida, our corner of The Gator Nation is where we develop dedicated business leaders. From here, we influence the world, pushing to stay on the forefront of research and education. But this isn’t about a classroom. The Warrington College of Business is designed to help students change the way they view obstacles in the real world.

This is where we produce difference makers that shape businesses, non-profits, government, and eventually the world. It’s what built Warrington into one of the most respected business schools in the country.

- Fan Zhang

WILLIAM R. HOUGH MASTER OF SCIENCE IN FINANCE

DIRECTOR: Kelly Herring

The Master of Science in Finance was started in 2001 and has evolved to primarily a combined degree program for students from various University of Florida undergraduate degree programs wanting to complete both their undergraduate degree and a Master of Science in Finance degree within four years.

QUICK FACTS

- The program offers a Capital Markets Lab, consisting of nine Bloomberg terminals for student use with a wide spectrum of real business applications. The lab also has large monitors providing broadcasts of CNBC, Bloomberg TV and other financial news networks.
- TFE Times ranked the Master of Science in Finance program No. 4 among U.S. publics.
- Most MSF students come from undergraduate finance, accounting, economics and mathematics programs.

GRADUATING STUDENTS

- Lei Fu
- Tianyu Xue
- Yuting Zhang

MASTERS OF SCIENCE IN INFORMATION SYSTEMS AND OPERATIONS MANAGEMENT

DIRECTOR: Dr. Janice Ellen Carrillo

The Master of Science in Information Systems and Operations Management program prepares students to thrive in the age of big data. Technology advancements have put companies across the world in position to grow their businesses quickly, and they’re always in search of employees with the skills to discover effective methods and innovative strategies that help them take the next step.

QUICK FACTS

- Students graduate prepared for roles like Data Analyst, IT Manager, Information Systems Specialist, or many others.
- Eduniversal ranked the Master of Science in Information Systems and Operations Management program No. 11 among U.S. publics.
- The program offers four tracks—Business Analytics, Data Science, Information Technology and Supply Chain Management.

- Scott Jordan Silver
- Thomas G. Soto
- Spencer A. Storey
- Shihong Tang
- Fan Wu

The Master of Science in Marketing program is intended for students whose objective is to work in the field of marketing in a corporate, non-profit or entrepreneurial setting.

QUICK FACTS
- One-year master's degree for business majors or minors
- For students with little or no work experience.
- 30-credit program (20 core credits and 10 elective credits)
The Fisher School of Accounting provides a rich environment for the study of accounting. Students in the program experience a curriculum dedicated to growth in a complex and important field.

Accounting at UF traces its roots back to 1923 when the first accounting course was offered. From there the demand for more course offerings quickly grew and in 1947 the department of accounting was officially formed with 255 students. With continued growth, the department formed into an experimental School in 1977, and the faculty Senate voted to make the School permanent in 1983. It was ultimately renamed the Fisher School of Accounting in 1985 to honor alumnus Fredrick Fisher. Today, Gerson Hall houses the Fisher School of Accounting administrative offices, its faculty, and students. Gerson Hall is a 36,000 square foot, $9.3 million structure.

The School’s faculty have earned Ph.D. degrees from the nation’s leading universities and are committed to excellence in teaching, research, and service. The faculty produce important scholarly work, serve as editors and referees for major accounting journals, and participate in service to professional and government organizations at the international, national, and state levels.
One of the nation’s top-ranked undergraduate public business schools, Heavener offers bachelor’s degrees in Finance, General Business, Management, Information Systems & Operations Management, and Marketing to more than 5,000 students.

The foundation of the Heavener student experience is built on creating impactful moments for students through:

ACADEMIC RIGOR
CAREER DEVELOPMENT
INTERNATIONAL STUDIES
LEADERSHIP

These four principles are even etched into the walls of Heavener Hall, a state-of-the-art facility that opened in 2014 as a permanent home for undergraduate students.

Focusing on these areas ensures that students leave the Heavener School prepared to make an impact in whichever industry they choose to pursue. They are guaranteed to grow in the classroom, better understand and cultivate their leadership abilities, take part in new experiences in cultures across the world and be prepared to secure a job at one of the nation’s most desirable companies.
Degrees conferred are contingent upon students meeting all academic and financial obligations to the University of Florida. Names appearing in print are of those students who applied to graduate prior to November 9, 2020, and provided consent to be included in the program.

Undergraduate Honors Designation: Cum Laude, Magna Cum Laude and Summa Cum Laude are tentative and subject to final grades.

HONORS:  * = Cum Laude  ** = Magna Cum Laude  *** = Summa Cum Laude

ELIZABETH B. & WILLIAM F. POE, SR. BUSINESS ETHICS CENTER
DIRECTOR: Dr. Brian Ray
Students come face-to-face with ethical issues in business and learn how industry leaders handle similar challenges. The Center aims to increase student awareness of the importance of ethics in their personal and professional lives.

ENTREPRENEURSHIP & INNOVATION CENTER
DIRECTOR: Jamie Kraft
The Center was created to teach, coach and inspire students to be entrepreneurial in their lives. It provides students the tools and experiences necessary to creatively pursue new opportunities and innovations in the start-up, social, and corporate venture arenas.

HUMAN RESOURCE RESEARCH CENTER
DIRECTOR: Dr. Mo Wang
The purpose of the Center is to contribute to the science and the profession of human resource management. It supports educational programs and research that affect human performance in work settings in ways that have practical implications for management.

INTERNATIONAL ACCOUNTING & AUDITING CENTER
DIRECTOR: Dr. Robert Knechel
The mission of the Center is to advance the overall academic and educational goals of the Fisher School of Accounting on an international level. The Center undertakes activities to bring a broader international focus to the programs and research efforts of the School.

INTERNATIONAL BUSINESS CENTER
DIRECTOR: Dr. John Kraft
The Center aims to bring business executives with global responsibilities to campus, promote participation by Hough students in international case competitions, develop outreach activities with the local business community and develop opportunities for UF faculty, staff and students to conduct research in other countries.

MANAGEMENT COMMUNICATION CENTER
DIRECTOR: Dr. Fiona Barnes
The Center provides expertise in business and management communication, disseminates communication research, provides on- and off-campus training in optimal communication strategies and information sharing, and equips business students with communication skills necessary for success in an information economy.

PUBLIC UTILITY RESEARCH CENTER
DIRECTOR: Dr. Mark Jamison
The Center was founded in 1972 and is an internationally recognized academic center dedicated to research and to providing training in utility regulation and strategy, as well as the development of leadership in infrastructure policy.

KELLEY A. BERGSTROM REAL ESTATE CENTER
DIRECTOR: Timothy Becker
For more than 30 years, the Center has been cultivating the exchange of education and information among real estate researchers, academics, students and industry leaders. The Center was named after Kelley A. Bergstrom, who in 2006 created an endowment to support the Center for years to come.

DAVID F. MILLER RETAIL CENTER
DIRECTOR: Betsy Goodman
The Center strives to develop tomorrow’s leaders by stimulating interest in retail careers, preparing students for entry-level management, providing continuing education opportunities, facilitating communications between retailers and academics, and researching retail issues.

SUPPLY CHAIN MANAGEMENT CENTER
DIRECTOR: Dr. Asoo Vakharia
The Center aims to bring together executives, UF faculty and students in order to pursue excellence in Supply Chain Management practice, education and research.

TEACHING & LEARNING CENTER
DIRECTOR: Dr. Megan Leroy
The Center is dedicated to the support and enhancement of quality in the college’s courses and degree programs. Through the Center, the College also provides support to faculty in developing and maintaining a robust assessment plan to ensure continuous student learning.
The vital component that truly elevates Warrington into prominence is its talented faculty. Consistently ranked in the top 20 U.S. publics in the University of Texas at Dallas’ Top 100 Business Schools Research Rankings, students learn from world-class faculty members who are thought leaders in their industry. Our scholars are internationally renowned for their innovative research and produce exceptional business leaders who embody the best in ethical leadership and managerial excellence.

With over 120 faculty members, Warrington faculty members are always progressing and searching for the next impactful piece of business research.
Endowed Scholarships and Fellowships

Scholarships allow Warrington students to further their professional development. Whether it’s going on an international study tour or helping a student attend Warrington, scholarships ensure that nothing hinders a student from fully participating in the Warrington experience.

UF ALMA MATER

Florida, our Alma Mater,  
thy glorious name we praise.  
All thy loyal sons and daughters,  
a joyous song shall raise.  
Where palm and pine are blowing,  
where southern seas are flowing,  
Shine forth thy noble gothic walls,  
thy lovely vine clad halls.  
Neath the orange and blue victorious,  
our love shall never fail.  
There’s no other name so glorious,  
all hail, Florida, hail!
