

FSOAC NEWSLETTER

SEPTEMBER ISSUE 2014

Business Bash

Fisher School of Accounting Council started recruiting freshman and other business and accounting majors at the annual Business Bash. We had a lot of fun giveaways including sunglasses, stress balls, and pens. All of the council's executive board attended and had a great time networking with potential members. Overall it was an extremely successful night, that got a lot of people wanting to come to the first general body meeting of the semester!

1st General Body Meeting and Carnival Social

Council held its first meeting on September 17. We saw a lot of new faces that were excited to jump right in and get involved in council activities. After the meeting we had a carnival social, which gave members an opportunity to have some fun, while meeting other council members and classmates.

FSOAC Street Clean-up

Council had its first street clean up on September 28. We had a great turnout to this event. Members who attended really enjoyed helping out the local community.
