September 2015

Business Bash

On Thursday September 10th, 2015, the FSOAC new executive board attended Business Bash. This event introduced students, especially freshmen to all the areas of the business college. FSOAC executive board discussed the organization to new potential members. They also gave out flyers and FSOAC swag items.

1st General Body Meeting

On Tuesday, September 16, FSOAC held their first general body meeting of the semester. The executive board introduced themselves, talked about their responsibilities for their committees and events coming up in the future. Flyers were also distributed with information on how to connect with council as well as a list of 10 tips for career showcase. After the meeting we had a board game social, which gave members an opportunity to have some fun, while meeting other council members and classmates. With lots of new faces, the meeting was definitely a success!

Coffee with Council

Our second social of the semester was a great opportunity for council members to stop by and enjoy some coffee, donuts, and hot cocoa during a hectic week of exams. Over 20 students and FSOA faculty came out and enjoyed the event.
