April 2016

Whirly Dome Social

On Thursday, April 7th, members of Fisher school of Accounting Council who earned their way onto the biannual trip through accumulating points, attended a social at the Whirly Dome in Orlando. Members enjoyed unlimited laser tag and whirly ball, a competitive game of 5 v 5 in which participants rode around on bumper cars while using a Jai-Alai style plastic scoop to toss a softball sized whiffle ball onto their teams target at the end of the court. The competition was intense!

Universal Visit

Council's first stop on Friday, April 8th, was Universal. It was a great experience to learn about the accounting roles within an industry firm. Members also got a rare glimpse into the costume area behind the scenes of the park.

RSM Office Visit

The second step of the day was to RSM's office. A panel of consulting staff informed members of the unique opportunities within the division. Following networking opportunities, members participated in different minute to win it style games. Many laughs were had!

KPMG Office Visit

The third stop on Friday of the trip was to KPMG's office. Members played a Jeopardy game learning more about life at KPMG and accounting in general. Double Jeopardy rounds also included putting mini golf for points. All around everyone had a really great time!

Intramurals

Sand Volleyball season has come to an end. The stats for the season were 3 wins and 3 losses. Thank you to everyone who has participated!

Fall 2016 Executive Board

Council had elections on Wednesday, April, 13th. Our new e-board will be composed of President Kriss Camacho, VP Elizabeth Lisich, Treasurer Sophie Philipp, Assistant Treasurer Hope Poulsen, Secretary Stephanie Palmer, PR director Lisandra Perdomo, Historian Matthew Hough, and Communications director Anthony Campbell. Congratulations to all!
