BUSINESS BASH
On September 12th, FSOAC attended Business Bash in The Reitz Union to share our organization with potential new members and hand out council swag. Despite the rescheduling from the storm, we had a great turnout and even got a surprise visit from Albert!

FIRST GENERAL BODY MEETING
On September 14th, FSOAC held its First General Body Meeting in Gerson 126. The GBM was followed by a pizza social in the Gleim Atrium.
MENTOR/MENTEE REVEAL
Mentors and Mentees gathered in the Student Commons and were each given a flashcard that had a perfect pair on it. Mentees had to search through the group to find their Mentor with the card that perfectly matched theirs. Afterwards, everyone headed over to Yogurtology for some frozen yogurt and to get to know their mentor better, all while raising money for council!

COFFEE WITH COUNCIL!
On September 21st, The Executive Board handed out Krispy Kreme donuts and morning coffee to accounting students as they walked to their morning classes and faculty as they passed through. We had a great turnout and enjoyed catching up with everyone!
