November 2017 Edition

Fall Semester Trip

This November, Council took its fall trip to visit firms in Atlanta. There is a trip in the fall semester and in the spring semester and locations usually rotate. On the 17th, the students got the chance to visit Deloitte as well as Dixon Hughes Goodman (DHG) in the center of downtown Atlanta. Students got the chance to meet industry professionals and hear presentations from both firms on topics such as finding your home in a firm.

Coca-Cola World Social

After a long morning of visiting the firms on the 17th, council took the afternoon to visit the World of Coca Cola. Between a sampling of all of the Coca Cola products offered throughout the world and a brief history of the company itself, there was a lot to look through at the exhibit.

Felipe's Fundraiser

On November 6th Council headed over to Felipe's on University to raise money for the club. With a great turnout, the fundraiser offered a great opportunity to get to know everyone a little better in the club.

Other Events

Other events for the month included: a charity kickball tournament on 5th, a bowling social at the Reitz Union on the 13th, as well as a Philanthropy event volunteering at Mill's Creek Farm on the 10th.
