Schedule of ISOM Courses Summer 2018 – Spring 2019 (Only Required for the Auditing Concentration)

Spring Registration for these courses begins December 10.

Additional Instructions:

1. The curriculum for the Auditing concentration is changing. Previously, Auditing students chose one course from ISM 6129, ISM 6405, and ISM 6485. That list is changing to ISM 6128, ISM 6222, and QMB 6358. If you have already taken a class from the first list, it will still count toward the Auditing concentration. For the Spring 2019 semester ONLY, you may take courses from either list.
2. Students pursuing the auditing concentration are strongly recommended to complete their ISOM requirement during the fall term.
3. For the Spring 2019 semester, registration for these courses will be handled by the ISOM department. If you plan on taking one of these courses in the Spring, please [contact Chandra Hardy](#) ON OR AFTER DECEMBER 10. (Please only contact Ms. Hardy, as Ms. Samson will not be handling registration for these courses.)
4. Some courses or sections may not be available, as priority for registration must go to MS-ISOM students.
