Schedule of ISOM Courses Fall 2019 – Spring 2020 (Only Required for the Auditing Concentration)

Fall Registration for these courses begins August 5.

Additional Instructions:

1. The curriculum for the Auditing concentration is changing. Previously, Auditing students chose one course from ISM 6129, ISM 6405, and ISM 6485. That list is changing to ISM 6128, ISM 6222, and QMB 6358. If you have already taken a class from the first list, it will still count toward the Auditing concentration. Moving forward, only courses taken from the second list will count.
2. Students pursuing the auditing concentration are strongly recommended to complete their ISOM requirement during the fall term.
3. If a course/section you prefer is full, then select another ISOM option from the table. **Do not contact the ISOM Department.**
4. If all ISOM sections are closed, or conflict with a required MAcc course, then contact [Tracy Thompson](#).
5. Some courses or sections may not be available, as priority for registration must go to MS-ISOM students.
