IMPORTANT DATES

Friday, September 3 (by 3:30pm): Fall Fee Payments Due (University Bursar)

MASKS IN PRIVATE OFFICES
The university has provided a COVID-Related Teaching, Advising, and Classroom Policy FAQ:  
https://hr.ufl.edu/covid-19/covid-related-teaching-advising-and-classroom-policy-faq/. This includes the following question and answer:

**Can instructors and academic advisors expect masks to be worn by students in their private office, for example during office hours?**

Yes. Instructors and advisors may ask that masks be worn in office hours. If a student refuses, the instructor or advisor can end the meeting and offer the student an option of virtual office hours or holding the meeting in an alternative location.

Remote academic advising continues to be our primary method of assisting students. However, if you have a strong preference for meeting with an advisor in person, you may do so. Please understand that if you choose not to wear a mask, your advisor may end the meeting and request that it be conducted at a later time via our remote option.

**Friday, August 20, by 11:59pm:** Regular Registration ($100 late fee after 11:59 pm deadline)

**3/2 APPLICATIONS**

If you have applied to the 3/2 program for the Fall semester, and have not yet received a decision, please know we are diligently processing your application as quickly as possible. If you did not meet the minimum GPA criteria, your application will be denied, and there will be no appeal. You should meet with an academic advisor to discuss your options. If you met the criteria, your application will almost certainly be approved – it would be very rare for it not to be.

The easiest way to check your upper-division GPA and accounting major GPA is to look at your degree audit, under the Honors section toward the bottom.

Even after we have reviewed your decision and entered the decision into the system, we are not able to communicate the decision to you until the Office of Admission gives us the OK. That can take time. Advising for newly admitted 3/2 students will take place in a Group Advising Session, to be held on Zoom on Friday, August 20, from 10:00 – 11:00 a.m. Please mark your calendars. During the middle of next week, a Zoom link will be emailed to all admitted students, as well as any who have not yet received a decision.
