Applicants should have a minimum 3.2 GPA, as well as availability to work 10-20 hours per week (preferably 15-20 hours), for approximately 1-2 months. Pay will be $12/hour. For more information, please contact Julia Zavala at julia.zavala@warrington.ufl.edu.

Career Opportunities: All students are encouraged to maintain active accounts in both Gator CareerLink and HireWarrington, even if you are not yet looking for an internship or job. Historically, most accounting jobs were posted through the university-wide Gator CareerLink, but more and more companies are starting to use HireWarrington, which is tailored specifically for students in the Warrington College of Business and the employers that recruit them. Many great resources are also available in the HireWarrington “Resource Library.” If you need assistance from the Business Career Services Office, email BCS-Info@warrington.ufl.edu. If you are planning on an internship prior to starting the MAcc program, we strongly recommend meeting with an academic advisor to discuss your plans.

The Educational Foundation for Women in Accounting has awarded scholarships to women pursuing accounting degrees at the undergraduate, graduate, and postgraduate levels for the past 60 years.
