

**TO BE COMPLETED BY UNDERGRADUATE ADVISORS:**

Please fill out items 1 – 5. **Pages 1, 2 and 3 of this form are a required part of the application packet** for the Master of Science in Management (MSM) Program. Please refer to page 4 which includes information to assist with the eligibility of a student to double-count credits. Only Graduate courses may be double-counted.

***STUDENTS AND ADVISORS NOTE:*** If there are no MSM course credits that are eligible to count toward the undergraduate degree requirements, ***they are still eligible to take up to 15 graduate credits that will count only toward the master's degree*** (with UG departmental approval). \*\*\***The student will NOT be considered an “official” combination degree student but will be treated as such by the MSM department.**

**Students:** With the assistance of your undergraduate advisor, list below all of your unmet undergraduate requirements by semester starting with your current term. We will determine the number of MSM credits that could be taken each module based on this information.

Term & Year _____	Credits	Term & Year _____	Credits	Term & Year _____	Credits
<i>Course number</i>					

**UNMET DEGREE REQUIREMENTS**

- 1) Total number of elective credits remaining which can be fulfilled with graduate business courses? \_\_\_\_\_ credits.
- 2) From the list on the right, choose the description of the UG Course requirement for which the graduate business courses will be counting. List the corresponding number of credits.

*(Example below in shadow)*

UG Course Requirement (Double-Counting)	Credits
