

Bachelor of Arts in Business Administration **Area of Specialization: *Botany (BTY)***

Description

The botany area of specialization is offered through the College of Liberal Arts and Sciences or the College of Agricultural and Life Sciences and is for those students who are interested in the sciences. Students will have the opportunity to take courses in a variety of disciplines ranging from ecology to the biology of plants. For career information view:

<http://www.crc.ufl.edu/>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

Four 3000-4000 level BOT, BSC and PCB courses excluding BOT 4905, BSC 4905 and PCB 4905.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Botany is available through the Department of Botany in the College of Agricultural & Life Sciences. For registration, scheduling, and area-specific questions, please contact:
