

## **Bachelor of Arts in Business Administration** **Area of Specialization: *Entomology and Nematology (EY)***

### ***Description***

Entomology and nematology are biological sciences dealing with insects, mites, ticks, spiders, and nematodes. The Department of Entomology and Nematology offers an area of specialization in entomology and nematology. For career information view: <http://www.crc.ufl.edu/>

### ***Requirements***

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

ENY 3005	Principles of Entomology
ENY 3005L	Principles of Entomology Laboratory (1 credit) (ENY3005 and 3005L are required for the minor)
ENY 3007C	Life Science
ENY 3222C	Biology and Identification of Urban Pests
ENY 3225C	Principles of Urban Pest Management
ENY 4161	Insect Classification (also required for the minor)
ENY 4660	Medical and Veterinary Entomology
ENY 4660L	Medication and Veterinary Entomology Laboratory (1 credit)

### ***Contact Information***

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Entomology and Nematology is available through the Entomology and Nematology department in the College of Agricultural & Life Sciences. For registration, scheduling, and area-specific questions, please contact:
