

Bachelor of Arts in Business Administration

Area of Specialization: *Family, Youth and Community Sciences (FYC)*

Description

This interdisciplinary area of specialization in applied social science prepares students for careers in professions that strengthen families, children and youth and communities. This includes family life education, youth development, human services, community development and extension education. Career opportunities are available in federal and state agencies, nonprofit organizations and private corporations. For career information view: <http://www.crc.ufl.edu/>.

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below with grades of "C" or higher. Be sure to check course prerequisite requirements.
