

Bachelor of Arts in Business Administration
Area of Specialization: *Food Science and Human Nutrition (FSN)*

Description

The Food Science and Human Nutrition Department in the College of Agricultural and Life Sciences offers this area of specialization to students seeking employment in food corporations. It provides a basic foundation in food science and nutrition without requiring an extensive science background, and will benefit students interested in food-related careers in market research, production management, and purchasing and sales. For career information view: <http://www.crc.ufl.edu/>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

Course	Title	Prerequisites	Offered

Minor Option

To complete the Food Science minor, students must earn 15 credits with a minimum C grade in each class. If students complete all of the above courses in the Area of Specialization, then students need 1 additional course to complete the Food Science minor (ex. FOS2001 – Man’s Food). For additional course information and minor details, visit the following website: <https://catalog.ufl.edu/ugrad/current/agriculture/minors/food-science.aspx>.
