

Bachelor of Arts in Business Administration **Area of Specialization: *Astronomy (ATY)***

Description

The Astronomy area of specialization provides students with some experience in an area of quantitative physical science. It will develop and hone their analytical skills in addition to increasing their understanding of the Universe. For career information view: <http://www.crc.ufl.edu/>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

Any 3000/4000-level [AST](#) courses, excluding 4905 courses.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Astronomy is available through the department in the College of Liberal Arts and Sciences. For registration, scheduling, and area-specific questions, please contact:

Dr. Elizabeth Lada
lada@astro.ufl.edu
352-392-2052 extension 214
216 Bryant Space Science Center

Department Website: <http://www.astro.ufl.edu/>

Minor Option

A minor is available in this Area of Specialization. To complete the minor students must earn 15 credit hours, all completed with a C or better. You can find out more about the Astronomy minor offered at: <https://catalog.ufl.edu/ugrad/current/liberalarts/minors/astronomy.aspx> .
