

Bachelor of Arts in Business Administration Area of Specialization: *Mathematics (MS)*

Description

The Mathematics area of specialization is designed for students who already have an interest in mathematics and the desire to learn more. This area of specialization will expose students to a variety of mathematics courses. For career information view: <http://www.crc.ufl.edu/>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

[MAC 2313](#) Analytic Geometry and Calculus III or [MAC 3474](#) Honors Calculus III (one is required)
Any 3000/4000-level [MAA](#), [MAD](#), [MAP](#), [MAS](#), [MAT](#), [MHF](#), and [MTG](#) courses, excluding 4905 courses.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Mathematics is available through Mathematics department in the College of Liberal Arts and Sciences. For registration, scheduling, and area-specific questions, please contact:

Dr. Kevin Knudson
kknudson@ufl.edu
352-294-2397
365 Little Hall

Department Website: <http://www.math.ufl.edu/>

Minor Option

A minor is available in this Area of Specialization. To complete the minor students must earn 23-24 credit hours with grades of C or better. You can find out more about the Mathematics minor offered at:
https://catalog.ufl.edu/UGRD/colleges-schools/UGLAS/MAT_UMN/
