

Bachelor of Arts in Business Administration **Area of Specialization: *Philosophy (PPY)***

Description

The Philosophy area of specialization fosters critical thinking and sound reasoning, skills essential to effective thought and communication. As such the Philosophy area of specialization supplements students' preparation for professional schools in law, business, medicine, and journalism, and for a broader range of careers in the private and public sectors. For more information, following the links under the "About Philosophy" header on the University of Florida's Philosophy Department web site: <http://www.phil.ufl.edu>. The "What is the Use of Philosophy?" and "Valuing Philosophy Education" links provide important information on how philosophy majors do on various standardized tests as well as the job market.
