

Bachelor of Arts in Business Administration **Area of Specialization: *Zoology (ZY)***

Description

The Zoology area of specialization provides students with foundation knowledge about the diversity of life (its evolution and significance) and about the structure of animals and ecosystems and how they function (i.e., the acquisition, flow, organization, and uses of information, energy, and nutrients in animals). For career information view:

<http://www.crc.ufl.edu/>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

PCB 3063 Genetics (Required) and

Three (3) 3000 or 4000-level PCB and ZOO courses offered by the Department of Biology, excluding 4905 courses.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Zoology is available through the Biology department in the College of Liberal Arts and Sciences. For registration, scheduling, and area-specific questions, please contact:
