

Bachelor of Arts in Business Administration
Area of Specialization: *Natural Resource Conservation (WE)*

Description

This area of specialization is for students who want a general introduction to natural resource management. It is ideal for students majoring in a related field such as wildlife ecology, soil and water science, environmental science, etc., as well as students who are interested in the social aspects of natural resources (students majoring in business, education, food and resource economics, political science, etc.). For career information view: <http://www.crc.ufl.edu/>

Requirements

Students are required to have a minimum of four classes totaling 12 hours from any of the 3000-4000 level courses listed below and maintain a minimum 2.0 Area of Specialization GPA. Be sure to check course prerequisite requirements.

[FOR 3153C](#) Forest Ecology or WIS3404 Ecological Applications in Natural Resource Conservation

[WIS 3401](#) Wildlife Ecology and Management or FOR3202 Society & Natural Resources

[FNR 4660](#) Natural Resource Policy & Economics

Any 3000-4000 level [FOR](#), [FNR](#), [WIS](#) or [FAS](#) course excluding FOR 4905, FNR 4905, WIS 4905 and FAS 4905.

Contact Information

You are always welcome to meet with an Advisor in the School of Business, however, advising specifically related to Natural Resource Conservation is available through the Natural Resource Conservation department in the School of Forest Resources and Conservation. For registration, scheduling, and area-specific questions, please contact:
